| <b>Description:</b> | <p><b>Morgan quarter horse. 2.5 years old, fully vetted in March 2010, negative coggins, gelded March 2010, wolf teeth pulled and feet trimmed in the last three weeks.</b></p> <p><b>Rico is a sweet boy needing a good home. Halter broke, never had a bit in his mouth. Not broke to ride but is VERY gentle and should have no problems breaking. No kick to him; lifts feet for the farrier, loads with slight hesitation due to being taller than my stock trailer. You can do anything to him; he follows you like a puppy &amp; just wants attention.</b></p> <p><b>Will be asking for vet reference and screening inquiries to make sure he is going to a nice home.</b></p> <p><b>Please call if you are interested.</b></p> |
