Description:	<p>DUSTY: Handsome Dappled Buckskin gelding with a face any mother could love - \$900 (Austin)</p> <p>Good looking dappled buckskin gelding, 5 yrs old. No buck, no bite, no kick. Calm, quiet nature. Non spooky. Meets you at the gate in a very friendly way. He's tall: 15.3hh stick measured. Very good strong leg bone and nice black hard hooves.</p> <p>Dusty is a cross between a Missouri Foxtrotter and Big Appendix Quarter Horse. So he has a really good mind and good nature. He also has a really smooth trot and lope and there's a foxtrot in there, but he's not trained in it. Rides well. Healthy, easy going fella..... at a great price.</p>
