Description:	<p>2000 4 Star 3 horse with 6 foot short wall. All aluminum, mangers in two stalls, escape door, lower half stud divider, rear tack, new heavy duty rubber floor mats, new R16/14 tire (purchased Oct 29, 2010), drop down doors on head side with screens, hubs greased and general maintenance just done. Interior includes gas water heater, screen door, shower, 2 clothes closets, tons of storage, full width cushioned bench seat, water tank, new extended counter top with new sink, A/C and new full sized mattress. The interior was professionally done with solid wood cabinets and is still in great condition. This trailer is in excellent condition and is better than new. The new ones are made of much thinner aluminum because of the price increase on aluminum these days. This trailer is perfect for 1-2 people, great for long weekend camping trips and easy to pull with even a half ton truck. Priced at \$21,000. Email for pictures or call of more information 325 656 2714. I also have a coming 3 year old champagne MFT gelding, 1 ton truck, and additional water storage tank for trailer, portable generator and other horsey items for sale.</p> <p>Located in San Angelo, Texas</p>
